Miller Elected To Second Term

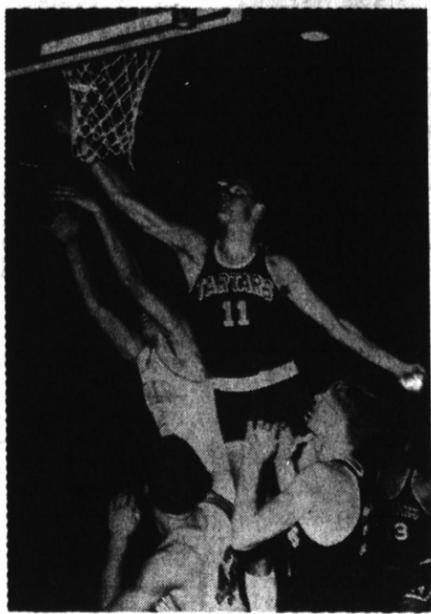

KEN MILLER
New Term

Torrance Councilman Ken Miller has been re-elected president of the West Coast Slo-Pitch Softball Association. Miller will preside at the group's 1967 organizational meeting next Friday at 8 p.m. The meeting is scheduled in the Torrance city employee's lounge behind the city hall.

Other officers for the new year are Tom Peterson, first vice president; Elmer S. (Red) Moon, second vice president, and Bob Jorgenson, secretary-treasurer.

Ten teams are expected to compete in the association's 1967 season, Miller said. They include the Torrance Tappa Keggas, Gardena Royals, El Segundo Hustlers, Santa Ana Rebels, Torrance CJs, Torrance Mustangs, Los Angeles Old Timers, Lomita Old Pros, Manhattan Beach Lifers, and the Downey Tigers.

Tartars Make Bid to Stop Unbeaten El Segundo Five

Torrance High's basketball team travels to El Segundo Tuesday afternoon to try to do what hasn't been done so far this season — stop the Eagles.

'Gundo ran its season record to 23 straight with an 81-40 beating of Lawndale Friday night in a Pioneer League game. But the Eagles will take time out from the league wars — where they are now all but certain winners — to welcome Torrance.

Leading the Tartar charge will be Bart Johnson and Rick Kreul, the high-scoring forwards, and playmaker Rob in Fisher.

The Eagles are paced by 6-8 center John Pleick, 6-6 Ed Hora, and guard Dana Pagget, who sat out Friday's game with a sprained hand. Pagget, however, is expected to be back in the lineup come Tuesday.

Torrance is now 19-7 — and that doesn't count the encounter with North High late last night — and three of those losses were to Sky League rival Morningside, which now holds the lead in the Sky League campaign.

Another exciting game is in the making come Wednesday afternoon when the North High Saxons and the Redondo Seahawks collide in a Bay League contest.

North, the Bay League leader with a 5-0 mark, is being chased by Mira Costa (4-1) and Redondo (3-2).

Mira Costa came up a 59-56 win over Redondo Friday night, but not until the two teams had played three overtime periods.

In other prep action this week, South will meet Inglewood, West will host Rolling Hills, and Bishop Montgomery

will greet St. Monica. Both South and Montgomery have league standings at stake, but West, beaten in conference game.

ROLLING HILLS CAN'T COPE WITH TORRANCE

Torrance High used a 34-point third quarter to rush past Rolling Hills, 97-72, in a Sky League basketball game Friday night at the winner's gym.

Rich Kreul scored 35 points, including 20 in the second half to set a torrid pace for the Tartars. Bart Johnson had 18 in the first half and finished out with 26 points. He had 25 rebounds to 22 for Kreul.

Torrance built only a 17-16 first quarter lead and went ahead by 43-35 at halftime, but a 34-17 third period put the game on ice.

The win gives Torrance a 3-1 league record and 14-7 for the season. The Tartars met North last night in a non-league game and oppose unbeaten El Segundo next Tuesday at El Segundo.

Knights Edge Lasuen, 72-71

Fouls Scare Bishop

By HENRY BURKE
Press-Herald Sports Editor

The clock ran out on Fermin Lasuen in its first place basketball match against Bishop Montgomery Friday night. Lasuen had the unbeaten Knights "up against the ropes" in the final minute play, but Montgomery's ability to simply inbound the ball in the final two seconds saved a 72-71 victory.

The win was the fourth straight in Camino Real League play for Bishop. Lasuen has a 2-2 record.

What made things so difficult for Montgomery were 23 personal fouls, 15 of which sent starters Jon Yarmolovich, Danny Graham and Rick Sabosky out of the game in the final four minutes.

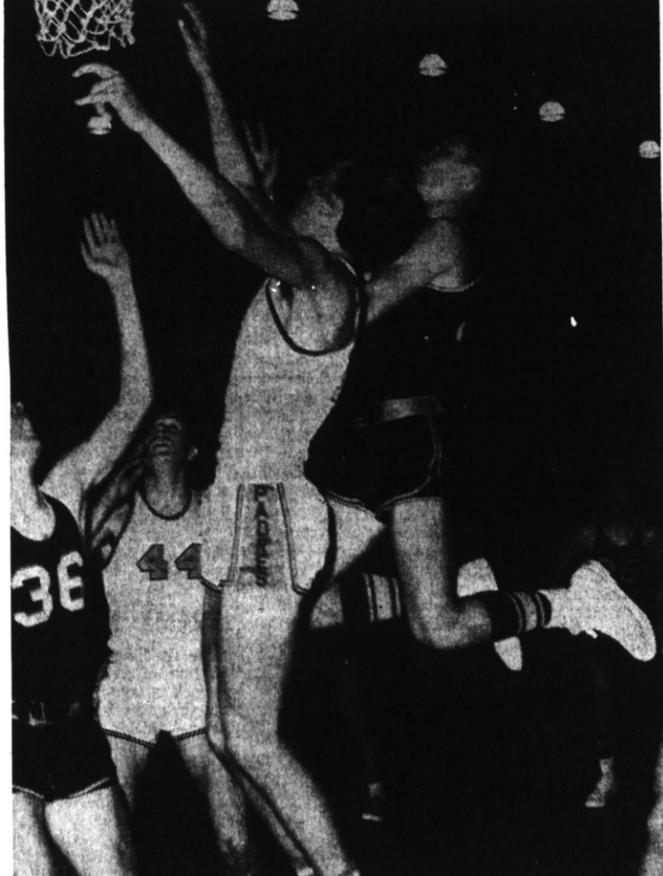

Against four reserves Lasuen closed an 8-point gap to two points at the final 22-second time. The job of getting the ball across the 10 second line at this point went to Steve Sciarra. He passed off to sub Bob Jamison for a layup with 17 seconds to go and Bob was flattened. Jamison made the first of two foul shots, leaving Lasuen behind by 3 points. When Phil Karmelich finally went for a bucket unresisted with five seconds to go, the Knights still led by one and had only to put the ball in play and the win was theirs.

Lasuen was in foul trouble too, but only Bob Hallet fouled out. Three regulars were left hanging with four fouls, including Karmelich who survived to score 10 points in the final period for a total of 26.

Yarmolovich had 19, but he fouled out after connecting on four field goals early in the fourth quarter. Grouped with a technical foul shot by Sciarra and a 3-point play by Sabosky, the Knights led by 11 points, but it dwindled away during three opposing sprees.

Montgomery had 26 goals and 20 of 28 from the free throw line. Lasuen had 24 goals and 23 of 36 free throws.

The Knights stay at home again Tuesday night to meet St. Monica's.

The win gave South a 2-3 league record.

Hawthorne, trailing by six points at the end of the third quarter, tied the game at 62-62 to send it into overtime. Then the Spartans took control of the game and outscored the Cougars, 10-3, to record the win.

MOTOR TREND 500

Riverside Race Resumes Today

The procedure for re-starting the rain-shortened \$85,000 Motor Trend-Riverside 500 today is outlined by NASCAR chief technical inspector Bill Taylor.

"The only work permitted on any of the remaining 33 cars before the race is resumed," Taylor said, "will be to change spark plugs and add water to the radiators. No mechanical adjustments of any kind will be permitted, nor will anyone be allowed to add air to tires or change a flat."

Taylor obviously was referring to Freddy Lorenzen who was leading the race last Sunday when it was stopped after 50 laps because of a heavy downpour. Lorenzen's '67 Ford has a flat right rear tire which developed after he pulled in on the 50th lap.

Taylor explained that the change of spark plugs will be necessary since officials did allow mechanics to add some light oil to their engines through the intake manifold to prevent rust from forming from condensation. They were also permitted to drain the radiators and put their cars on blocks as a precaution against loss of air pressure in the tires.

All 33 cars still in the race have been placed under lock and key within the confines of Riverside Raceway's garage area. Eleven of the original 44 starters were eliminated during the first 50 laps, either through mechanical problems or wrecks.

According to NASCAR's chief steward John Brunner, cars will be lined up single file on the track Sunday morning for the 12 noon restart, in order of their position when the race was stopped.

Warriors Topped By Palos Verdes

By JERRY REYNOLDS
Press-Herald Staff Writer

Dave DeMarest led a fourth quarter scoring surge for Palos Verdes Friday night as the host Sea Kings outlasted West High, 65-56, in a Pioneer League basketball game.

The game gave both PV and West 2-2 league records.

DeMarest, who hit for a total of 19 points in the game, scored nine in the final two minutes of play to preserve the Palos Verdes victory.

The Sea Kings raced to an early 5-point lead and held that margin throughout most of the game. West knotted the score at 42-42 early in the final period, but could not go ahead.

The Warrior offense was ineffective throughout the evening. The loss of Barry Hyde for the better part of two quarters — he picked up three personal fouls in the first 6 minutes of play—hurt West's offensive punch. Hyde sat out the entire second period.

Doug Warner, who contributed 18 points to the Palos Verdes score, fouled out with 6 minutes left in the game.

West was called five successive times for walking with the basketball in the first period.

More than 25 ball control errors in the first half—coupled with 24 fouls by both teams — contributed heavily to Palos Verdes 32-24 halftime lead.

The Sea Kings attempted a stall defense as the game went into the final minute, but West began to foul in a desperate effort to close the margin. DeMarest made three of four foul shots in the final 38 seconds of the game.
